   - Maintain or improve health
   - Appreciate the value of lifelong learning
3. Communication
   - Listen actively and respectfully
   - Speak coherently and effectively
4. Critical Analysis

Add Codes

Once classes have closed, students may add a class on a space available basis. Students may go to the class and receive permission from the instructor to add the class. The instructor will give the student an add code that will allow the student to add the course on the Student Portal.

To use an Add Code enter your SID and PIN code at www.santarosa.edu/portal. Choose the semester and select Add/Drop/Register. Enter the course section number. You will be informed that the class is closed and that you need an Add Code. Enter the Add Code and press "Complete Transaction". Be sure to complete all steps and print a copy for your records.

Enrollment services via the web are available 24 hours a day with occasional downtime for scheduled maintenance operations.

Adding and Dropping Classes

Students must have a current application on file or be in continuing status before they can add and drop courses.

Adding/dropping classes are not automatic and can be accomplished only on the Student Portal (www.santarosa.edu/portal) or through one of the Admissions and Records Offices.

Filing an official drop is always the student's responsibility. Failure to drop, if withdrawing from a course, will result in a debt and/or failing grade. Any student enrolled in a course who misses the first class meeting may be dropped from the course by the instructor. But do not assume instructors will add or drop for students! **It is ultimately the responsibility of the student to drop the course and keep a record of the transaction.**

This is a state-mandated fee with waivers for students who depend exclusively on prayer for healing, approved apprenticeship and audit students, incarcerated students, and students enrolled in only "0" unit courses. All students enrolled in credit courses will be required to pay the health fee, including students qualifying for BOG fee waivers.

Student Transportation Fee: The Student Transportation Fee is collected to reduce or eliminate transit fares for services provided by common carriers or municipally-owned transit systems; this could include Sonoma County Transit, Santa Rosa CityBus, Petaluma Transit and the SMART Train. Courses shorter than a semester in length will have different deadline dates.

Petition for Waiver of College Regulations

A student may obtain a petition to waive local college regulations in the Offices of Admissions and Records. You may also download this form at https://admissions.santarosa.edu/forms

Prerequisites

The Santa Rosa Junior College registration system enforces all approved course prerequisites.

Students will not be allowed to enroll in a course for which there is a prerequisite if they have not completed the prerequisite course with a "C" or better or a "P" at Santa Rosa Junior College.

If students have completed the prerequisite at another institution or at SRJC prior to 1981, they must complete and submit a Prerequisite Equivalency Form online at https://admissions.santarosa.edu/forms before registering. Official transcripts from the transfer institution must be on file before the equivalency form can be processed.

If students have not met the prerequisite, but have documented experience, they may complete and submit a Prerequisite Challenge Form.

The Prerequisite Equivalency and Challenge forms are available online at https://admissions.santarosa.edu/forms. The forms are also available at either the Petaluma or Santa Rosa Admissions and Records Office. Forms should be turned in to one of the Admissions & Records Offices. For questions please call the Admissions & Records Office at 527-4685 at the Santa Rosa Campus or the Petaluma Campus at 778-2415.

NOTE: The College has the authority to drop students from any course if prerequisites have not been met.

Terms and Definitions

Priority Registration

To view the current Priority Registration Schedule visit https://admissions.santarosa.edu/priority-registration

Refunds

(See "Fees and Refund Information," page 14-15, for information and deadline dates.)

Registering

For student use, computer kiosks are available on the Santa Rosa Campus and Petaluma Campus.

Repetition of Courses and Withdrawal

Students repeating a course, in which they previously received a substandard grade of D, F, NC, NP, and/or a W symbol are limited to three enrollments total. Students are advised to carefully choose their courses each term to ensure successful completion. These regulations are retroactive to the fall 1981 semester; therefore, some students may find that they have already exhausted the repeat and withdrawal limitation of three enrollments. Students may petition to enroll in the course a fourth time and may be approved based on documented extenuating circumstances. Students can view their records and their list of "unrepeatable courses" in their Student Portal.

Retake Codes

There are limitations on the number of times a student may repeat a course. In the following schedule, all courses with NO repeat notation following the course descriptions may be repeated once if a grade of D, F, or N/C was earned. A student may petition to repeat a course beyond the limitations listed on the course providing that there are extenuating circumstances (such as verified cases of accident, illness, or other circumstances beyond the control of the student), or because there is a compelling need or benefit that exists and that the District accepts through the petition process. (Please see the current College Catalog or Board Policy 8.1.16 for further information.)

	Course Repeat Codes
4	May be repeated with different topics
22	May be taken four times in any combination of levels (e.g., beginning, intermediate, advanced)
27	Course exempt from repeat provisions
	Student Repetition Codes
21	Legally Mandated Repetition
25	May be taken for a total of 16 units (Work Experience courses only)
34	May be taken for a total of 4 times
39	May be taken for a total of 2 times

Student ID Number/Social Security Number

SRJC uses a Student ID number (SID), not a Social Security Number as the primary identifier for students.

SRJC will continue to collect Social Security Numbers, as they are necessary for Financial Aid recipients, Federal Tax credits and State data reporting, however the SID number will be printed on all SRJC documents and records.

Transcripts

Upon request to the Admissions, Records & Enrollment Development Office, the first two official transcripts ever requested will be issued without charge for each student. Thereafter, each official transcript will cost $5.00 each. An additional fee of $5.00 will also be charged for PICK-UP requests. No transcripts will be issued for any student who has an outstanding financial obligation to the College. Transcripts are normally sent out in 5-7 business days. Unofficial transcripts may be obtained via the Student Portal (www.santarosa.edu/portal) or in person with a photo ID at no charge. To request your official SRJC transcript go to www.getmytranscipt.com.

Verifications

Santa Rosa Junior College has partnered with the National Student Clearinghouse to provide Degree and Enrollment Verification of past and present Santa Rosa Junior College students. Enrollment Verifications are free of charge and may be obtained immediately online. Effective Fall 2012, Enrollment Verification Certificates for the following uses must be requested using this service:

Credit Issuers, Student Loan Deferments, Scholarships, Health Insurance, Employment, Training, Selected Government Forms, Housing, Travel.

How to obtain a free "Current Enrollment Verification Certificate" or "Good Student Driver Discount Certificate" through the Student Portal:

Step 1 - Go to the Student Portal and log in

Step 2 - Inside the "myRecords" box, click on the "Enrollment and Degree Verification" link and follow the steps provided on the page.

If past or present student and/or third parties require degree status and/or enrollment history, please visit the National Student Clearinghouse to obtain this information quickly and securely.

Wait Lists

During priority registration and prior to the beginning date of the class, a number of enrollment slots beyond the maximum class size may be available on a "Wait List" (WL) basis. **Note: Not all classes will offer wait lists**. If students enroll on a computerized wait list, they are expected to pay all appropriate fees and cannot enroll in classes that conflict in time with "WL" classes nor can they enroll in another section of the same course for which they have "WL" status.

Wait-listed students are expected to attend the first class meeting, or log on by 11:59pm of the first day of the official start of the class for classes that meet online. It is the student's responsibility to be aware of his/her status in the class. Drops by other students will automatically advance student's position on the wait list and enrollment may be secure by the time classes begin. **Wait listed students do not need an add code as they are already registered in the class as a wait list student and will advance if not dropped.**

6. Costos
Los residentes de California pagan $46 por cada unidad. Los estudiantes considerados no residentes de California pagan $234 adicionales por cada unidad y estudiantes internacionales pagan $234 + $23 + $46 por cada unidad. Todos los estudiantes deben pagar por los servicios de salud $20 cada semestre, y $1 de representación estudiantil. Los costos podrían cambiar, debido a que son regidos por el gobierno estatal.

Los cursos sin crédito de ESL están numerados desde ESL-701 hasta ESL 716; las clases de ESL 724 son clases de computación básica. Debido a que estos cursos no tienen créditos a nivel del colegio no se acumularán unidades y no hay ningún costo por tomar estas clases. Para inscribirse a clases de inglés como segundo idioma sin crédito, se debe completar una solicitud de admisión al SRJC.

Asistencia Económica (Financial Aid Office)

El personal del departamento de asistencia económica está disponible para asesorar a los estudiantes con asuntos y preguntas relacionadas con el financiamiento de su educación durante su estancia en Santa Rosa Junior College (SRJC). Cada año más de 13,000 estudiantes reciben cerca de 30 millones de dólares en becas federales, becas estatales, exención de cuotas de inscripción, programas de trabajo/estudio federal y préstamos estudiantiles que les ayudan con los pagos de cuotas de inscripción, libros, materiales, hospedaje, transportación y otros gastos para su educación. El proceso de ayuda federal y estatal toma varias semanas. Entre más pronto presenten su solicitud, tendrán más oportunidad de recibir información acerca del proceso de su solicitud, así como estar informado (a) y saber si reúnen los requisitos antes de que comience el semestre escolar. La elegibilidad se determina de acuerdo a la necesidad económica del estudiante y/o los padres y el progreso académico satisfactorio. La oficina de asistencia económica recomienda a los estudiantes que completen la solicitud gratuita de ayuda federal para estudiantes (FAFSA por sus siglas en inglés) lo más pronto posible. Ustedes pueden solicitar asistencia federal en el siguiente sitio en la red: www.fafsa.gov y llenar su solicitud electrónicamente a través del sistema central de proceso.

Estudiantes interesados en recibir ayuda económica para el semestre de otoño deberán de presentar su solicitud al sistema central de proceso antes del primero de noviembre, para que así nuestro personal revise su información y les notifique sobre su elegibilidad. Sin embargo, se aceptarán solicitudes después del 1° de noviembre. La información acerca del proceso de solicitud estará disponible en la oficina de asistencia económica en el edificio Plover en Santa Rosa y en la oficina 116, edificio Jacobs en Petaluma. Favor de leer el manual del proceso de solicitud de ayuda financiera para más detalles. Tenga presente que debe de solicitar ayuda económica cada año escolar.

Los residentes del estado de California y los estudiantes que son AB 540 que necesiten ayuda con las cuotas de inscripción, deberán de completar una solicitud para la excepción de la junta de gobernadores, también conocida como "BOG FEE WAIVER" en la oficina de Santa Rosa o Petaluma, dos días antes de que se inscriban a clases. Si usted es elegible, las cuotas de inscripción y parte de la cuota del permiso de estacionamiento se reducirán. El "BOG FEE WAIVER" es válido por el año escolar, igual que la FAFSA, los estudiantes deben de solicitar este tipo de asistencia cada año escolar.

Las oficinas de ayuda económica cuentan con personal disponible para contestar sus preguntas en persona o por teléfono. Usted también puede comunicarse por correo electrónico. Nuestro personal responderá en aproximadamente 48 horas (excepto en fines de semana). Examen de Evaluación para estudiantes de ESL (Inglés Como Segundo Idioma)

El examen de ESL (Inglés como Segundo Idioma) se ofrece en el campus de Santa Rosa, Petaluma y el Southwest Center. Visita la siguiente página de internet www.santarosa.edu/assessment para información sobre el examen de ESL o contacta los siguientes centros:
Campus de Santa Rosa: 707-527-4661. Exámenes de evaluación de ESL con crédito y sin crédito
Campus de Petaluma: 707-778-3908. Exámenes de evaluación de ESL con crédito y sin crédito
Southwest Center: 707-527-4229: Exámenes de ESL sin crédito y orientaciones. El personal del Southwest Center ayuda a estudiantes de nuevo ingreso a llenar la aplicación de ingreso al colegio por internet.
El examen de evaluación es uno de los pasos más críticos para ayudar a los estudiantes a iniciar un camino de éxito en su educación en el colegio. Es importante que los estudiantes tomen las clases para las cuales estan preparados. (El examen de evaluación está diseñado para ayudar a determinar el nivel de curso que los estudiantes necesitan tomar en matemáticas, inglés, o Inglés como Segundo Idioma (ESL).
El examen de ESL con Crédito (Inglés como Segundo Idioma) es para los estudiantes cuyo idioma natal no es el inglés; evalúa sus habilidades en dos áreas: lectura y gramática en inglés.
El examen es por computadora con preguntas de comprensión y opción múltiple.
El examen de ESL con Crédito no tiene límite de tiempo, pero en el SRJC los estudiantes tienen como máximo tres horas para completar el examen. Los estudiantes cuentan además con tiempo adicional para recibir instrucciones.
Los estudiantes serán elegibles para una clase de crédito después de haber sido evaluados con el examen de ESL.
El examen sin crédito de ESL (Inglés como Segundo Idioma) es para estudiantes cuyo idioma natal no es el inglés. Este además evalúa sus habilidades básicas en escritura.
El tiempo del examen es 30 minutos. Los estudiantes además cuentan con minutos adicionales para instrucciones. Los estudiantes tienen como tema un dibujo del cual tienen 30 minutos para escribir lo más que puedan en inglés en relación al dibujo. Los estudiantes pueden escribir un párrafo completo, oraciones cortas o una lista de palabras relacionadas al dibujo. Antes del examen, los estudiantes completarán su información personal en un scantron para el examen.
Todos los cursos sin crédito son gratuitos. El examen de evaluación para clases sin crédito no es un requisito, pero tomar el examen ayudará a determinar el nivel actual del estudiante en sus habilidades básicas de inglés.
Requisitos y detalles para el examen de evaluación:

- Visite el Portal del Estudiante (My Cubby) en www.santarosa.edu para hacer una cita o contactar uno de los centros mencionados anteriormente que ofrecen evaluaciones.

If your goal is to earn an Associate Degree, but you do not plan to transfer, you could complete the SRJC general education pattern (see catalog), a major, and additional degree applicable units to total 60 units.

The majors at the link below include courses that can also count toward General Education. Consult with a counselor about the specific lower division preparation required by the transfer institutions you are considering.

Child Development and Teacher Education, 527-4315

The Child Development and Teacher Education Department at Santa Rosa Junior College (SRJC) teaches students to work with young children and their families in a variety of roles and settings. Early education programs include state-funded children's programs, private and public preschools, family child-care and public school programs. Classes in Child Development can lead to careers working directly or indirectly with children in related fields, such as psychology, social services, and pediatric health. Students can earn SRJC certificates that align with the California Child Development Permit Matrix, in order to qualify for various education roles in the field of early care and education. The Child Development Major and Early Childhood Education for Transfer Major meet the requirements of the California Community Early Childhood Curriculum Alignment Project. At present, our core classes can be easily transferred to other approved colleges or universities. For more information go to www.childdevelopment.santarosa.edu.

Tips for How to Use the Final Exam Schedule

The Final Exam Schedule is applicable to classes at all Santa Rosa Junior College locations.

1. Classes not covered on the finals schedule above will meet during a time arranged with the instructor in the class.
2. If your ***class meets only one day a week***, the final will be on the regular class day in the timeframe listed above. For example, if your class meets on Tuesdays only from 1-4pm, your final exam will be on Tuesday, December 17 from 10:00am - 12:45pm.
3. Students with final exam scheduling conflicts should see the instructor of each class to make necessary arrangements.
4. If you have questions or concerns regarding final exams, please contact the department chairperson/director.

Classes that meet for less than the full semester (18 weeks) will have their final exam, project or review activity at the last class meeting. A final examination, project or review activity will be given at the last class meeting of every course. (Board Policy 3.15)

Financial Aid

The Financial Aid department is here to assist with the issues and questions that may arise as students finance their education at SRJC. Each year, over thirteen thousand students receive about $30 million from grants, fee waivers, workstudy and loans to assist with the costs of enrollment fees, books, supplies, room and board, transportation and other expenses related to completing an education at the college.

The federal and state aid process takes several weeks! Early applicants are more likely to know their eligibility before the start of the semester. Eligibility is determined according to the student's and/or the parents' financial circumstances and the student's satisfactory academic progress. Financial Aid encourages students to complete the Free Application for Federal Student Aid (FAFSA) as early as possible. You may complete the FAFSA on the Web (www.fafsa.gov) which is sent electronically to the Central Processing System. SRJC's school code is 001287.

Students interested in receiving financial aid for only the Spring Semester should have their financial aid application submitted to the Central Processing System by the previous November 1st, to have the Financial Aid Office review the information and notify students of their eligibility. Application information is available in the Financial Aid Office on the Santa Rosa campus in Plover Hall and on the Petaluma campus, 109 Jacobs Hall. Please read the Financial Aid brochure for tips and details. Keep in mind that Financial Aid must be re-applied for each school year.

California residents and students with AB540 waivers who only need assistance with enrollment fees should complete the Board of Governors Fee Waiver application at the Santa Rosa or Petaluma office, two days prior to registration. If eligible, enrollment fees will be waived and parking fees will be discounted. The fee waiver is good for the entire school year. However, like the FAFSA, students must apply each school year. Please note students who complete the FAFSA are automatically awarded the BOG Fee Waiver, if eligible.

The front desk and telephone areas of the Financial Aid Office are staffed with employees who can answer your questions and you may also communicate with our office via email. A member of our staff retrieves and responds to email messages within 48 hours (with the exception of weekends and holidays): lmcmullin@santarosa.edu.

Alcohol/Drug Free Campus

Santa Rosa Junior College is fully committed to achieving a drug and alcohol free environment for its students and employees. The Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989 require that, as a condition of receiving funds or financial assistance under any Federal program, SRJC must create and maintain a drug-free environment and implement a program to prevent the unlawful possession, use, or distribution of drugs, and the abuse of alcohol, by its students and employees.

Regulations: In addition to being a violation of the State and Federal Laws, the possession and/or use of alcohol or illegal controlled substances on the SRJC campus, off-campus centers, and College-sponsored activities is forbidden by College regulations. SRJC is concerned with your welfare and that of other students attending the college. This information is provided to you to make you aware both of the possible penalties that can result in regulation infractions of College rules and to inform you that if you have a drug or alcohol-related problem you are encouraged to have a confidential visit with a College counselor or a health services staff member.

Possible Disciplinary Actions: The following forms of discipline may be imposed on a student or employee who is found guilty of violations of College regulations. Such discipline may include reprimand, probation, suspension or expulsion, and/or job termination. For specific information concerning the discipline process contact the Dean of Student Conduct (524-4906) or the College Human Resources Office (527-4688).

Note: The Federal Government mandates that Santa Rosa Junior College provide alcohol and controlled substance information and referral information to the staff and students annually. A Spanish translation of this information is available at the SRJC Information Desk.

Completion Rate

Over one-third of Santa Rosa Junior College's first-time, full-time students who entered the college in Fall 2014 with the goal of degree-, certificate-, or transfer-seeking, received a degree, certificate, or became "transfer prepared" (earned at least 56 UC/CSU transferable credits with a GPA of 2.00) by Spring 2017. The completion rate of 34.84% was based on the 2014 cohort as per Student Right to Know (SRTK) regulations. SRJC's completion rate (34.84%) is higher than the average statewide community college rate (30.36%).

For more information of SRTK go to the website http://srtk.cccco.edu/index.asp or contact the Office of Institutional Research, 778-4191.

Equal Opportunity Statement

The Santa Rosa Junior College District is committed to an environment in which all employees and students are treated with respect and dignity. Each employee and student has the right to work/learn in a professional atmosphere that promotes equal opportunity and is free of unlawful discriminatory practices. Because the ability to serve students from broad cultural heritages, socioeconomic backgrounds and genders is a key commitment of the College mission, SRJC actively encourages applications from candidates who recognize the value that diversity brings to a professional educational community.

The Vice President of Human Resources is responsible for Santa Rosa Junior College's equal opportunity efforts, and reports directly to the Superintendent/President on these matters.

The lack of English language skills will not be a barrier to admission and participation in all academic, vocational, cultural, and social programs and activities at the college.

The District offers information and referrals intended to assist students and staff who wish to quit smoking. For more information about smoking cessation options, contact Environmental Health and Safety at 527-4803.

It is the responsibility of the members of the District to observe and follow the smoke-free environment policy and procedural guidelines. Since the success of this policy relies on the consideration and cooperation of all smokers and nonsmokers, we appreciate your cooperation to ensure that our District is a smoke-free environment!

Student Conduct Standards

Students are required to abide by the Santa Rosa Junior College Student Conduct Standards. Violation of the Standards is basis for disciplinary sanction, including dismissal from class or from the College. For complete details regarding Student Conduct and Discipline Due Process, visit student-conduct.santarosa.edu/discipline-due-process.

Student Grievances/Complaints

Students who feel their rights as a student have been violated by an instructor or staff member should first attempt in good faith to resolve the matter with the source of the complaint. If the student is dissatisfied with the outcome of this meeting, they may take their complaint to a Department Chair or Administrator for further review by a third party. If a resolution is not reached at this level, the student may file a formal grievance with the appropriate Dean/Supervising Administrator. For support and advice on the complaint/grievance process, a student may consult an Ombudsman in the Student Affairs Office on either the Santa Rosa or Petaluma Campus. For Santa Rosa, call (707) 527-4424; for Petaluma, (707) 778-4141. For the complete procedure, go to: https://www.santarosa.edu/a-z-index

- click on P
- click on Policy Manual
- click on section 8: Student Services
- click on 8.2.2P Student Complaints/Grievances

The procedure is the same for complaints about academic matters including grades and curriculum. The student should begin by first talking to the instructor to attempt resolution. If this is unsuccessful, the student may then proceed with the steps as listed above. The appropriate path is faculty member, Department Chair, area Dean and finally, Vice President, Academic Affairs.

Complaints involving sexual harassment, race discrimination, sex discrimination and discrimination against those with disabilities, should contact the Vice President of Human Resources Office at (707) 527-4954. Reports of complaints of discrimination that proceed to investigation will be investigated by a person knowledgeable about discrimination matters and the investigation process will include, at a minimum, interviewing the complainant, other relevant witnesses, and gathering pertinent documentation.

Student appeals relating to Financial Aid decisions, rules and regulations should contact the Student Financial Services office in order to initiate the Financial Aid appeal process which follows established guidelines. The phone number is (707) 527-4471.

   2) The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite;
   3) The prerequisite is discriminatory or is being applied in a discriminatory manner;
   4) The prerequisite or co-requisite course is not reasonably available; a prerequisite challenge must be filed on the appropriate form with the Office of Admissions and Records.

D. Challenge his or her placement test results, retest, and request to enroll in a course that is not recommended by the course placement through the college process. The District has the authority to drop a student from a course if he or she has not met the requirements;

E. Review the Student Success and Support Program regulations of the California Community Colleges and file a complaint when he or she believes the District has engaged in any practice prohibited by these regulations. These regulations are available and complaints may be filed in the Office of the Vice President of Student Services.

2018-19 ASSOCIATE DEGREE INFORMATION

Catalog Rights

Graduation requirements for an associate degree are determined according to the *Catalog* in effect at the time of initial enrollment. In order to maintain catalog rights, a student must be in continuous enrollment; that is, enrollment in at least one credit course during each successive academic year. For the purpose of catalog rights, the academic year begins each fall and ends with the subsequent summer session. When a break in enrollment occurs, graduation requirements are determined according to the *Catalog* in effect when enrollment is resumed. Students may choose to graduate under the *Catalog* requirements in effect at the time of the petition to graduate.

Unit Requirement

Complete 60 or more units in courses numbered 1-299. Plan your course of study carefully with a counselor.

Residence Requirement

Enrollment during the semester in which the degree is granted. A minimum of 12 units must be completed at Santa Rosa Junior College.

Scholarship Requirement

A grade point average (GPA) of 2.00 (C) or better in all Santa Rosa Junior College and transferred coursework submitted toward the degree. For students admitted Fall 2009 or thereafter, a grade of C or better (or P) is required for each course applied toward the major.

Major Requirements

Complete a major course of study of at least 18 college units from the Santa Rosa Junior College list of approved majors. A course may be used to satisfy both a General Education requirement and a major requirement (Title 5, 55806). Within the major, a course may be used only one time to meet a major requirement. Major programs and their requirements are listed in the college catalog or you can view the current list on the Major's Requirement page on the SRJC Website. Click here to view now.

General Education Requirements

Students have three options in meeting the General Education requirements toward earning an Associate in Arts or an Associate in Science degree at Santa Rosa Junior College:

- Option A – Complete 23 units of general education requirements as outlined by the Santa Rosa Junior College catalog, **or**
- Option B – Complete the California State University (CSU) General Education-Breadth requirements (full certification), **or**
- Option C – Complete the Intersegmental General Education Transfer Curriculum (IGETC) (full certification).

Degree Honors

Degree honors are determined by the student's overall grade point average and include transfer work submitted to SRJC. A student who has maintained a GPA between 3.20 and 3.39 will be graduated with honors; 3.40 and 3.59, with high honors; and 3.60 or higher, with highest honors.

Multiple Majors

It is possible for a student to be awarded more than one major upon graduation, providing that all requirements are met for each major. For multiple majors, a single diploma with all majors listed will be issued. If one major leads to an Associate in Arts and the other to an Associate in Science, two diplomas will be issued.

Associate Degree for Transfer (AA-T or AS-T)

Students pursuing an Associate Degree for Transfer (A.A.-T or A.S.-T) must utilize the Option B CSU GE Pattern or the Option C IGETC Pattern. For specific details and requirements please meet with a Counselor for Education Planning. You can also click here to view the Associate Degree for Transfer and the Associate Degree information page for more details. Option A: Associate Degree Graduation Requirements and General Education Pattern is not allowed for use towards an A.A.-T or A.S.-T.

SRJC is committed to ensuring accessibility of its website content to people with disabilities. If you need assistance with this document, please see a counselor or contact khickman@santarosa.edu

Please refer to the Associate Degree Option A worksheet, page two, or the current SRJC Catalog for information on additional graduation requirements.

Full Certification: Students admitted to a CSU campus with *full certification* may not be held to additional lower division General Education Requirements. Full Certification means successful completion of the **39** lower-division semester units as indicated in the GE Areas above.

Subject-Area Certification: Completion of one or more areas as stated above. Student admitted to a CSU campus with subject-area certification may not be held to additional lower division GE coursework in the subject areas certified.

All students will be required to complete 9 upper division General Education units after transfer to a CSU: Neither full certification nor subject-area certification exempts students from unmet lower division graduation requirements that may exist outside of the General Education program of the campus awarding the degree.

Effective Term Notation: Effective terms noted after some courses reflect a beginning term of GE credit. For example, COUN 90 [F06} denotes that this course must have been completed in the Fall 2006 semester or later to meet the CSU GE requirement

Advance Placement Credit: For more information about using Advanced Placement (AP) credit to fulfill GE requirements, please see SRJC's Advanced Placement Exam Credit Worksheet by clicking here.

GE Certification: Students must file a request for certification of CSU GE with SRJC Admissions & Records.

CSU CAMPUS NOTES: Please see a counselor to learn about specific major course requirements to various CSU Campuses and to understand how the information below may affect completion of Associate degree requirements.

OPTION C- IGETC 2018-2019 UPDATE 8/31/2018 ADA COMPLIANCE and GE Approvals

2018-2019 IGETC NOTES

.

- **Effective terms** are noted after some courses, for example CHLD 10[F92] denotes that this course must have been completed in Fall 1992 or later to meet the IGETC requirement.
- **Completion of all requirements in the Intersegmental General Education Transfer Curriculum (IGETC)** will permit a student to transfer from a community college to a campus in either the California State University or University of California system without the need after transfer to take additional lower-division General Education courses to satisfy campus General Education requirements.
- **Completion of the IGETC is not a requirement for transfer to the CSU or UC** (Click here see CSU or UC Minimum Transfer Eligibility Requirements under "Transfer Center" in the current SRJC *Catalog*), nor is it the only way to fulfill the lower-division General Education requirements of the CSU or UC prior to transfer. Depending on a student's major and field of interest, the student may find it advantageous to take courses fulfilling the CSU's GE-Breadth requirements or those of the specific UC campus or college to which the student plans to transfer. It should also be noted that there might be other CSU or UC graduation requirements in addition to IGETC.
- **On UC campuses, some colleges or schools do not accept the IGETC as complete fulfillment of lower division breadth.** In addition, the IGETC is not recommended for some majors. Please talk to your counselor about your major and target UC campuses. For the most recent articulation information, click here to see ASSIST.org.
- **Advanced Placement (AP)** For more information about using Advanced Placement (AP) credit to fulfill general education requirements, please see SRJC Advanced Placement Exam Credit Worksheet by clicking here.
- **International Baccalaureate (IB) scores of 5, 6, or 7 on some Higher Level exams** may fulfill IGETC requirements except in Areas 1 and 5C lab.
- **The Laboratory science requirement** must correspond to one of the lecture physical or biological science courses taken to fulfill the IGETC requirement. A student cannot use lecture courses in two subjects and a laboratory in a third subject.
- **The course requirements for all areas must be completed in order to be fully certified. All courses must be completed with grades of "C" or better or "P".** (At SRJC, P = C grade or better.)
- **Partial certification**, completing all but two (2) courses on the IGETC pattern, may be an option for some but not all students. Certain university programs may require full certification. Also, please note that minimum eligibility requirements must still be met. If you are considering partial completion, please discuss it with a counselor. There are several ways to complete the missing courses after transfer.
- **IGETC for STEM (Science, Technology, Engineering, Math)** applies only to specified Associate Degrees for Transfer (AS-T) in Chemistry and Biology, primarily designed for transfer to the CSU. Students may choose to complete IGETC for STEM if the AS-T program explicitly designates the option. To keep the degree within 60 units, the IGETC for STEM pattern requires one less class in Area 3 and one less class in Area 4, which will be completed after transfer. Please see a counselor for details. **NOTE:** SRJC does not currently have ADT's approved in Chemistry or Biology.
- **IGETC Certification:** Students must file a request for certification of IGETC with SRJC Admissions & Records.

UC Campus Notes: The University of California will accept SRJC courses numbered 1 - 49. However, students should not count credit earned for special topics (48) or independent study (49) toward the 60 units required for admission. The UC campus will evaluate these courses after admission. For the most recent list of UC transferable SRJC courses, click here to see ASSIST.org

UC Campus	Notes *(Notes are reflective of **2016-2017** agreements due to ASSIST delay in current agreements, please be sure to check campus websites.)*
UC Berkeley	IGETC is acceptable for all majors in the College of Letters and Science. IGETC is accepted in the College of Natural Resources; however, specific lower-division major requirements must still be satisfied. The College of Environmental Design accepts IGETC with full certification to fulfill CED's breadth requirements. The Haas School of Business does not accept IGETC. IGETC is not appropriate for the colleges of Engineering and Chemistry. Check with the college or click here to see ASSIST.org for more information.
UC Davis	All undergraduate colleges accept IGETC. However, Bachelor of Science degrees and high-unit majors often have many courses of lower-division preparation. In these cases, IGETC is not recommended, and the UCD GE pattern is the better choice.
UC Irvine	All schools accept IGETC. However, selection by the campus is based on demonstrated academic achievement and preparation for the intended major. IGETC may not be ideal for students transferring in engineering, mathematics, or science majors.
UCLA	The School of Engineering & Applied Science does not accept IGETC. The College of Letters & Science and the School of Arts & Architecture strongly encourages California community college students to complete IGETC. IGETC certification is required for admission to the Generic/Pre-licensure Nursing program. The School of Theater, Film & Television requires completion of either the School's GE requirements or IGETC for admission.
UC Merced	The School of Engineering and the School of Natural Sciences do not recommend IGETC. The School of Social Sciences, Humanities, and Arts strongly recommends completion of IGETC to meet general education requirements.
UC Riverside	The College of Engineering accepts IGETC, but additional breadth coursework may be required after enrollment. The College of Natural & Agricultural Sciences does not accept IGETC. The College of Humanities, Arts, & Social Sciences accepts IGETC. Business Administration majors must complete IGETC (recommended) or the UCR breadth pattern for the College of Humanities, Arts, & Social Sciences.
UC San Diego	IGETC is accepted by John Muir, Earl Warren, Sixth and Thurgood Marshall colleges. Although IGETC is accepted at Eleanor Roosevelt and Revelle Colleges, some additional coursework may be required after enrollment.
UC Santa Barbara	IGETC is accepted by the College of Letters & Science and the College of Creative Studies. For the College of Engineering, IGETC may be used to substitute for most GE requirements, and students may wish to choose IGETC courses that concurrently satisfy a "depth requirement" prior to transfer with a year-long sequence in the history of world civilization, Western civilization, United States, Western philosophy, or Western art, or with upper division coursework after transfer.
UC Santa Cruz	IGETC is not appropriate preparation for the School of Engineering or any major in the physical and biological sciences.

SRJC is committed to ensuring accessibility of its website content to people with disabilities. If you need assistance with this document, please see a counselor or contact khickman@santarosa.edu

Associate Degree for Transfer

Requirements for the Associate in Arts for transfer (AA-T) or

Associate in Science for transfer (AS-T)

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete a minimum of 60 required semester units of CSU-transferable coursework with a minimum GPA of 2.0. Students transferring to a CSU campus that does accept the AA-T or AS-T will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major). This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.

Please refer to the website www.santarosa.edu/majors for more information.

Requirements

The following is required for all AA-T or AS-T degrees:

1. Minimum of 60 CSU-transferable semester units.
2. Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Completion of a minimum of 18 semester units in an "AA-T" or "AS-T" major as detailed in the Degree, Major, and Certificate Programs Section 6 of the catalog. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis (title 5 § 55063).
4. Certified completion of the California State University General Education-Breadth pattern (CSU GE Breadth, Option B) (see the back of this schedle for more information); OR the Intersegmental General Education Transfer Curriculum (IGETC) Option C pattern (see the back of this schedule for more information).

Piner Early College Magnet Program

Santa Rosa City Schools and Santa Rosa Junior College share a unique partnership known as the Piner High School-SRJC Early College Magnet Program. This partnership provides qualified high school students dual enrollment opportunities, allowing them to earn college credits while earning their high school diploma. This exceptional educational opportunity establishes a four-year cohort providing Early College Magnet Program students with accelerated learning in the company of other college students.

Piner Early College Magnet Program students receive special counseling services from both the high school and SRJC. Each student is provided with a personalized four-year education plan. Students also complete SRJC counseling courses to prepare them for college success.

As high school juniors and seniors, students attend four periods at Piner High School and enroll in as many as two college courses per semester at the SRJC Santa Rosa Campus. Their courses of study are guided by their personal education plans and lead to the completion of a certificate, associate degree, or university transfer.

SRJC enrollment fees are exempted for high school concurrent enrollment students and required textbooks are provided for up to two classes each semester at no cost to students enrolled in the Piner Early College Magnet Program. A designated SRJC counselor provides support and instruction for the students, while an SRJC staff member coordinates the Program for the college. The high school supports the program by providing bus transportation to SRJC's Santa Rosa Campus, staff for high school counseling and coordination of the program for the high school, as well as marketing and outreach for student recruitment.

For further information, contact: Karen Coster, Early College Magnet Program Coordinator, Piner High School, at (707) 528-5230 or kcoster@scrs.k12.ca.us.

Associate Degree Programs (AA/AS Majors)

These programs of study fulfill the major requirements for the Associate in Arts (AA), Associate in Science (AS), Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T) degree. The student's degree and transcript will list the title of the major on the degree award.

Parking Information and Regulations

A parking permit entitles the holder to park on campus when space is available. At peak class periods, all lots may be full. Alternate methods of transportation are strongly encouraged. A permit entitles students to park in a student parking space (between two **white** lines), between the hours of 5:00am and 11:00pm. After 3:00 pm, students with current permits may park between two **yellow** lines (with the exception of staff lot B which stays reserved until 7:00pm, loading zones, Petaluma and Windsor campus staff parking). Motorcycles and mopeds may park in designated areas **only**! Neither is allowed to be parked in a regular vehicle space. Any vehicle not properly parked is subject to a citation and possible tow-away at owner's expense. The overnight parking of vehicles requires advanced permission from District Police.

Permit Parking

Parking permits are required to park on all District properties including the Santa Rosa campus, Petaluma campus, Shone Farm, and the Public Safety Training Center in Windsor. Student parking permits are available at the Accounting Office in Bailey Hall, and the Business Services Office at the Petaluma campus. If you pay for parking through the mail or telephone registration, save your receipt; your permit will be mailed after all fees are paid. Permits must be hung on the rearview mirror of the vehicle beginning the first day of school. Permits are required seven days a week, 24 hours a day.

Permit Fee: A student parking permit for an automobile is $60 per semester. ASB card holders and Gold Card holders (age 60 and older) may purchase a permit for $55 per semester (not cumulative). A parking permit for a motorcycle is $10* per semester. ASB card holders and Gold Card holders may purchase a motorcycle permit for $5.50* per semester.

Refunds: Refunds for semester length parking permits are issued through the District Accounting Office. You must come to the Accounting Office in Bailey Hall and apply for a refund. You must turn in your semester permit to be considered for a refund. No refunds will be processed after September 15, 2017 (**No Exceptions!**).

Parking Permits: Daily parking permits ($4.00*) are available from coin operated machines in parking lots located on the Santa Rosa campus, Petaluma campus, and the Public Safety Training Center in Windsor. Some permit machines give change; others require exact change. Permits are valid for the day on which the permit was purchased. Daily parking permits and semester length parking permits are not valid in metered spaces. If the permit machine is out of order, use the next available permit machine and notify District Police.

Accessible Parking

Visitors on District properties, not enrolled in courses, who have a valid DMV disabled placard, disabled person's license plate, or disabled veteran's license plate displayed may park in parking spaces without a SRJC parking permit or metered spaces without depositing money. SRJC students and employees who have a valid DMV disabled placard, disabled person's license plate, or disabled veteran's license plate displayed must purchase a parking permit.

Visitor Parking

Permits are required anytime a vehicle is parked on any District property including the Santa Rosa campus, Petaluma campus, Shone Farm, and the Public Safety Training Center in Windsor. Visitors may purchase daily parking permits (see above) or park in one of the metered spaces. Parking permits are not valid in metered spaces. Vehicles parked in a metered parking space in excess of the limit posted will be cited. Meters are enforced seven days a week, 24 hours a day.

Parking Citations

Parking regulations are strictly enforced seven days a week, 24 hours a day.

*Vehicles not in compliance with the parking regulations are subject to citation and may be towed away, immobilized or stored at the vehicle owner's expense.

*Persons wishing to contest a citation must make arrangements by following the procedures indicated on the citation.
