High school graduates and holders of the Certificate of Proficiency are eligible for admission even if they are younger than 18 years of age. Students under 18 years of age with a Certificate of Proficiency, must provide a completed copy of the "Parent Consent" form.

The International Admissions staff helps students with the application and visa process. All students who are accepted for admission receive a welcome orientation and English Placement Tests to determine appropriate course levels. International students also receive assistance with course registration, counseling, tutoring, university transfer, and housing. SRJC currently hosts students from over 48 countries around the world.

The International Student Academic Program is designed for students who are prepared to take college level courses. SRJC offers a wide variety of majors and courses, many of which transfer to four-year colleges and universities. Many students earn a two-year associate degree and return to their home country to work or to pursue university studies, while others complete the associate degree and/or the first two years of U.S. university bachelor degree requirements before transferring to university. Applicants must provide evidence of financial support, proof of English proficiency, high school diploma, and copy of passport.

We accept new students for the Fall and Spring semesters, and for Summer Session. Please visit our website at international.santarosa. edu for application forms, deadlines, and additional information.

### Add Codes

Once classes have closed, students may add a class on a space available basis. Students may go to the class and receive permission from the instructor to add the class. The instructor will give the student an add code that will allow the student to add the course on the Student Portal. To use an Add Code enter your SID and PIN code at <u>www.santarosa.edu/portal</u>. Choose the semester and select Add/ Drop/Register. Enter the course section number. You will be informed that the class is closed and that you need an Add Code. Enter the Add Code and press "Complete Transaction". Be sure to complete all steps and print a copy for your records.

Enrollment services via the web are available 24 hours a day with occasional downtime for scheduled maintenance operations.

### **Adding and Dropping Classes**

Students must have a current application on file or be in continuing status before they can add and drop courses.

Adding/dropping classes are not automatic and can be accomplished only on the Student Portal (<u>www.santarosa.edu/portal</u>) or through one of the Admissions and Records Offices.

Filing an official drop is always the student's responsibility. Failure to drop, if withdrawing from a course, will result in a debt and/or failing grade. Any student enrolled in a course who misses the first class meeting may be dropped from the course by the instructor. But do not assume instructors will add or drop for students! It is ultimately the responsibility of the student to drop the course and keep a record of the transaction.

### **Auditable Courses**

In conformity with California Education Code 76370, Santa Rosa Junior College has adopted a policy which permits the auditing of classes.

Attending classes with the intent to audit without registering as an auditor is not permitted. Students may audit certain selected classes for a fee of \$15.00 per unit plus any additional course costs. Students regularly enrolled in 10 or more units may audit up to 3 units free of charge.

Health Services Fee: SRJC charges a fee to support the operation of Health Services. All students enrolled in credit courses will be required to pay the health fee, including students qualifying for the California College Promise Grant.

Students are urged to consult a counselor with any questions about degree requirements. Students transferring to a university are encouraged to complete the associate degree.

Official transcripts from all colleges previously attended should be submitted as part of the graduation evaluation process. This process reviews course work completed at SRJC and, if applicable, compares transfer college course work with the SRJC associate degree requirements. Applicants are notified by mail of their eligibility for the degree.

The annual commencement ceremony will be held on Saturday, May 23, 2020 for eligible degree candidates.

### **High School Dual Enrollment Students**

High School Dual Enrollment students must complete the following each semester of attendance at Santa Rosa Junior College at least 48 hours in advance of registration for classes:

Application for Admission + Dual Enrollment Program Request Form.

All dual enrolled students are considered *New Students* each semester. High School Dual Enrollment students are limited to part-time enrollment.

- All Dual Enrollment students will be exempted from the enrollment and non resident fees.
- Dual Enrollment students must meet all prerequisites as stated in the Schedule of Classes and must take a guided self-placement test if planning to enroll in a math or English class or any course requiring math and English as a prerequisite.
- Dual enrolled high school students may not enroll in English 300 level courses.

Home schooled students - Please visit our website at <u>https://admissions.santarosa.edu/home-schooled-dual-enrollment-students</u> or contact one of SRJC's Admissions Offices for current process for enrollment.

### Pass/No Pass or Grading Option

Some courses are graded on a letter-grade only basis, and some are graded on Pass (P)/No Pass (NP) only basis. Please check individual course listings for grade options.

Students must authorize the P/NP option on the Student Portal or by submitting a P/NP card at the Admissions and Records Office. P/NP option must be selected prior to 30 percent of completing the class, please refer to deadline date on the College Calendar. Courses shorter than a semester in length will have different deadline dates.

### **Petition for Waiver of College Regulations**

A student may obtain a petition to waive local college regulations in the Offices of Admissions and Records. You may also download this form at <u>https://admissions.santarosa.edu/forms</u>

### Prerequisites

The Santa Rosa Junior College registration system enforces all approved course prerequisites.

Students will not be allowed to enroll in a course for which there is a prerequisite if they have not completed the prerequisite course with a "C" or better or a "P" at Santa Rosa Junior College.

If students have completed the prerequisite at another institution or at SRJC prior to 1981, they must complete and submit a Prerequisite Equivalency Form online at <u>https://admissions.santarosa.edu/</u><u>forms</u> before registering. Official transcripts from the transfer institution must be on file before the equivalency form can be processed.

If students have not met the prerequisite, but have documented experience, they may complete and submit a Prerequisite Challenge Form. The Prerequisite Challenge form is available online at <u>https://admissions.santarosa.edu/forms</u>. For questions please call the Admissions & Records Office at 527-4685 at the Santa Rosa Campus or the Petaluma Campus at 778-2415.

NOTE: The College has the authority to drop students from any course if prerequisites have not been met.

### **Priority Registration**

### Registering

For student use, computer kiosks are available on the Santa Rosa Campus and Petaluma Campus.

## **Terms and Definitions**

### **Repetition of Courses and Withdrawal**

Students repeating a course, in which they previously received a substandard grade of D, F, NC, NP, and/or a W symbol are limited to three enrollments total. Students are advised to carefully choose their courses each term to ensure successful completion. These regulations are retroactive to the fall 1981 semester; therefore, some students may find that they have already exhausted the repeat and withdrawal limitation of three enrollments. Students may petition to enroll in the course a fourth time and may be approved based on documented extenuating circumstances. Students can view their records and their list of "unrepeatable courses" in their Student Portal.

### **Rpeat Codes**

There are limitations on the number of times a student may repeat a course. In the following schedule, all courses with NO repeat notation following the course descriptions may be repeated once if a grade of D, F, or N/C was earned. A student may petition to repeat a course beyond the limitations listed on the course providing that there are extenuating circumstances (such as verified cases of accident, illness, or other circumstances beyond the control of the student), or because there is a compelling need or benefit that exists and that the District accepts through the petition process. (Please see the current College Catalog or Board Policy 8.1.16 for further information.)

	Course Repeat Codes			
4	May be repeated with different topics			
<u>22</u>	May be taken four times in any combination of levels (e.g., beginning, intermediate, advanced)			
<u>27</u>	Course exempt from repeat provisions			
	Student Repetition Codes			
<u>21</u>	Legally Mandated Repetition			
<u>25</u>	May be taken for a total of 16 units (Work Experience courses only)			
<u>34</u>	May be taken for a total of 4 times			
<u>39</u>	May be taken for a total of 2 times			

### **Student ID Number/Social Security Number**

SRJC uses a Student ID number (SID), not a Social Security Number as the primary identifier for students.

SRJC will continue to collect Social Security Numbers, as they are necessary for Financial Aid recipients, Federal Tax credits and State data reporting, however the SID number will be printed on all SRJC documents and records.

### Transcripts

Upon request to the Admissions, Records & Enrollment Development Office, the first two official transcripts ever requested will be issued without charge for each student. Thereafter, each official transcript will cost \$5.00 each. An additional fee of \$5.00 will also be charged for PICK-UP requests. No transcripts will be issued for any student who has an outstanding financial obligation to the College. Transcripts are normally sent out in 5-7 business days. Unofficial transcripts may be obtained via the Student Portal (<u>www. santarosa.edu/portal</u>) or in person with a photo ID at no charge. To request your official SRJC transcript go to <u>www.getmytranscipt.com</u>.

### Verifications

Santa Rosa Junior College has partnered with the National Student Clearinghouse to provide Degree and Enrollment Verification of past and present Santa Rosa Junior College students. Enrollment Verifications are free of charge and may be obtained immediately online.

Enrollment Verification Certificates for the following uses must be requested using this service:

Credit Issuers, Student Loan Deferments, Scholarships, Health Insurance, Employment, Training, Selected Government Forms, Housing, Travel.

How to obtain a free "Current Enrollment Verification Certificate" or "Good Student Driver Discount Certificate" through the Student Portal:

Step 1 - Go to the Student Portal and log in

Step 2 - Inside the "myRecords" box, click on the "Enrollment and Degree Verification" link and follow the steps provided on the page.

If past or present student and/or third parties require degree status and/or enrollment history, please visit the National Student Clearinghouse to obtain this information quickly and securely.

### Wait Lists

During priority registration and prior to the beginning date of the class, a number of enrollment slots beyond the maximum class size may be available on a "Wait List" (WL) basis. **Note: Not all classes will offer wait lists**. If students enroll on a computerized wait list, they are expected to pay all appropriate fees and cannot enroll in classes that conflict in time with "WL" classes nor can they enroll in another section of the same course for which they have "WL" status.

Wait-listed students are expected to attend the first class meeting, or log on by 11:59pm of the first day of the official start of the class for classes that meet online. It is the student's responsibility to be aware of his/her status in the class. Drops by other students will automatically advance student's position on the wait list and enrollment may be secure by the time classes begin. Wait listed students <u>do not need</u> an add code as they are already registered in the class as a wait list student and will advance if not dropped.

# Examen de Evaluación para estudiantes de ESL (Inglés Como Segundo Idioma)

El examen de ESL (Inglés como Segundo Idioma) se ofrece en el campus de Santa Rosa, Petaluma y el Southwest Center. Visita la siguiente página de internet <u>www.santarosa.edu/assessment</u> para información sobre el examen de ESL o contacta los siguientes centros:

Campus de Santa Rosa: 707-527-4661. Exámenes de evaluación de ESL con crédito y sin crédito

Campus de Petaluma: 707-778-3908. Exámenes de evaluación de ESL con crédito y sin crédito

**Southwest Center: 707-527-4229**: Exámenes de ESL sin crédito y orientaciones. El personal del Southwest Center ayuda a estudiantes de nuevo ingreso a llenar la aplicación de ingreso al colegio por internet.

El examen de evaluación es uno de los pasos más críticos para ayudar a los estudiantes a iniciar un camino de éxito en su educación en el colegio. Es importante que los estudiantes tomen las clases para las cuales estan preparados. (El examen de evaluación está diseñado para ayudar a determinar el nivel de curso que los estudiantes necesitan tomar en matemáticas, inglés, o Inglés como Segundo Idioma (ESL).

**El examen de ESL con Crédito (Inglés como Segundo Idioma)** es para los estudiantes cuyo idioma natal no es el inglés; evalúa sus habilidades en dos áreas: lectura y gramática en inglés.

El examen es por computadora con preguntas de comprensión y opción múltiple.

El examen de ESL con Crédito no tiene límite de tiempo, pero en el SRJC los estudiantes tienen como máximo tres horas para completar el examen. Los estudiantes cuentan además con tiempo adicional para recibir instrucciones.

Los estudiantes serán elegibles para una clase de crédito después de haber sido evaluados con el examen de ESL.

El examen sin crédito de ESL (Inglés como Segundo Idioma) es para estudiantes cuyo idioma natal no es el inglés. Este además evalúa sus habilidades básicas en escritura.

El tiempo del examen es 30 minutos. Los estudiantes además cuentan con minutos adicionales para instrucciones. Los estudiantes tienen como tema un dibujo del cual tienen 30 minutos para escribir lo más que puedan en inglés en relación al dibujo. Los estudiantes pueden escribir un párrafo completo, oraciones cortas o una lista de palabras relacionadas al dibujo. Antes del examen, los estudiantes completarán su información personal en un scantron para el examen.

**Todos los cursos sin crédito son gratuitos.** El examen de evaluación para clases sin crédito no es un requisito, pero tomar el examen ayudará a determinar el nivel actual del estudiante en sus habilidades básicas de inglés.

### Requisitos y detalles para el examen de evaluación:

### Tips for How to Use the Final Exam Schedule

The Final Exam Schedule is applicable to classes at all Santa Rosa Junior College locations.

- 1. Classes not covered on the finals schedule above will meet during a time arranged with the instructor in the class.
- 2. If your *class meets only one day a week*, the final will be on the regular class day in the timeframe listed above. For example, if your class meets on Tuesdays only from 1-4pm, your final exam will be on Tuesday, May 19 from 10:00am 12:45pm.
- 3. Students with final exam scheduling conflicts should see the instructor of each class to make necessary arrangements.
- 4. If you have questions or concerns regarding final exams, please contact the department chairperson/director.

# Classes that meet for less than the full semester (18 weeks) will have their final exam, project or review activity at the last class meeting. A final examination, project or review activity will be given at the last class meeting of every course. (Board Policy 3.15)

# **2019-20 ASSOCIATE DEGREE INFORMATION**

### **Catalog Rights**

Graduation requirements for an associate degree are determined according to the *Catalog* in effect at the time of initial enrollment. In order to maintain catalog rights, a student must be in continuous enrollment; that is, enrollment in at least one credit course during each successive academic year. For the purpose of catalog rights, the academic year begins each fall and ends with the subsequent summer session. When a break in enrollment occurs, graduation requirements are determined according to the *Catalog* in effect when enrollment is resumed. Students may choose to graduate under the *Catalog* requirements in effect at the time of the petition to graduate.

### Unit Requirement

Complete 60 or more units in courses numbered 1-299. Plan your course of study carefully with a counselor.

### **Residence Requirement**

Enrollment during the semester in which the degree is granted. A minimum of 12 units must be completed at Santa Rosa Junior College.

### **Scholarship Requirement**

A grade point average (GPA) of 2.00 (C) or better in all Santa Rosa Junior College and transferred coursework submitted toward the degree. For students admitted Fall 2009 or thereafter, a grade of C or better (or P) is required for each course applied toward the major.

### **Major Requirements**

Complete a major course of study of at least 18 college units from the Santa Rosa Junior College list of approved majors. A course may be used to satisfy both a General Education requirement and a major requirement (Title 5, 55806). Within the major, a course may be used only one time to meet a major requirement. Major programs and their requirements are listed in the college catalog or you can view the current list on the Major's Requirement page on the SRJC Website. <u>Click here to view now</u>.

### **General Education Requirements**

Students have three options in meeting the General Education requirements toward earning an Associate in Arts or an Associate in Science degree at Santa Rosa Junior College:

- Option A Complete 23 units of general education requirements as outlined by the Santa Rosa Junior College catalog, or
- Option B Complete the California State University (CSU) General Education-Breadth requirements (full certification), or
- Option C Complete the Intersegmental General Education Transfer Curriculum (IGETC) (full certification).

### **Degree Honors**

Degree honors are determined by the student's overall grade point average and include transfer work submitted to SRJC. A student who has maintained a GPA between 3.20 and 3.39 will be graduated with honors; 3.40 and 3.59, with high honors; and 3.60 or higher, with highest honors.

### **Multiple Majors**

It is possible for a student to be awarded more than one major upon graduation, providing that all requirements are met for each major. For multiple majors, a single diploma with all majors listed will be issued. If one major leads to an Associate in Arts and the other to an Associate in Science, two diplomas will be issued.

### Associate Degree for Transfer (A.A.-T or A.S.-T)

Students pursuing an Associate Degree for Transfer (A.A.-T or A.S.-T) must utilize the Option B CSU GE Pattern or the Option C IGETC Pattern. For specific details and requirements please meet with a Counselor for Education Planning. You can also click here to view the <u>Associate Degree for</u> <u>Transfer and the Associate Degree information page</u> for more details. Option A: Associate Degree Graduation Requirements and General Education Plattern is not allowed for use towards an A.A.-T or A.S.-T.

CSU GRADUATION REQUIREMENT IN U.S.HISTORY, CONSTITUTION, AND AMERICAN IDEALS			
CSU transfer students complete two courses: one course from U.S. History (US-1) and one course that fulfills both U.S. Constitution and California State & local Government (US-2 and US-3). This CSU graduation requirement is not part of IGETC, however, it may be completed prior transfer. All CSU's allow			
these courses to double-count in Area 4 if certified by SRJC. AP exams in U.S. History and U.S. Government & Politics may fulfill US-1 and US-2; US-3			
cannot be met with AP credit. US-1: HIST 17.1, 17.2, 18.1, 18.2, 21 US-2 + US-3: POLS 1

OPTION C- IGETC 2019-2020 Corrected 11/15/2019 ADA COMPLIANCE and GE Approvals

### 2019-2020 IGETC NOTES

- Effective terms are noted after some courses, for example, CHLD 10[F92] denotes that this course must have been completed in Fall 1992 or later to meet the IGETC requirement.
- Completion of all requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or University of California system without the need after transfer to take additional lower-division General Education courses to satisfy campus General Education requirements.
- **Completion of the IGETC is not a requirement for transfer to the CSU or UC** (Click <u>here</u> see CSU or UC Minimum Transfer Eligibility Requirements under "Transfer Center" in the current SRJC *Catalog*), nor is it the only way to fulfill the lower-division General Education requirements of the CSU or UC prior to transfer. Depending on a student's major and field of interest, the student may find it advantageous to take courses fulfilling the CSU's GE-Breadth requirements or those of the specific UC campus or college to which the student plans to transfer. It should also be noted that there might be other CSU or UC graduation requirements in addition to IGETC.
- On UC campuses, some colleges or schools do not accept the IGETC as complete fulfillment of lower division breadth. In addition, the IGETC is
  not recommended for some majors. Please talk to your counselor about your major and target UC campuses. For the most recent articulation
  information, click here to see ASSIST.org.
- Advanced Placement (AP) For more information about using Advanced Placement (AP) credit to fulfill general education requirements, please see SRJC Advanced Placement Exam Credit Worksheet by clicking here.
- International Baccalaureate (IB) scores of 5, 6, or 7 on some Higher Level exams may fulfill IGETC requirements except in Areas 1 and 5C lab.
- The Laboratory science requirement must correspond to one of the lecture physical or biological science courses taken to fulfill the IGETC requirement. A student cannot use lecture courses in two subjects and a laboratory in a third subject.
- The course requirements for all areas must be completed in order to be fully certified. All courses must be completed with grades of "C" or better or "P". (At SRJC, P = C grade or better.)
- Partial certification, completing all but two (2) courses on the IGETC pattern, may be an option for some but not all students. Certain university programs may require full certification. Also, please note that minimum eligibility requirements must still be met. If you are considering partial completion, please discuss it with a counselor. There are several ways to complete the missing courses after transfer.
- IGETC for STEM (Science, Technology, Engineering, Math) applies only to specified Associate Degrees for Transfer (AS-T) in Chemistry and Biology, primarily designed for transfer to the CSU. Students may choose to complete IGETC for STEM if the AS-T program explicitly designates the option. To keep the degree within 60 units, the IGETC for STEM pattern requires one less class in Area 3 and one less class in Area 4, which will be completed after transfer. Please see a counselor for details. NOTE: SRJC does not currently have ADT's approved in Chemistry or Biology.
- IGETC Certification: Students must file a request for certification of IGETC with SRJC Admissions & Records.

UC Campus Notes: The University of California will accept SRJC courses numbered 1 - 49. However, students should not count credit earned for special topics (48) or independent study (49) toward the 60 units required for admission. The UC campus will evaluate these courses after admission. For the most recent list of UC transferable SRJC courses, click here to see ASSIST.org

UC Campus	Notes (Notes are reflective of 2016-2017 agreements due to ASSIST delay in current agreements, please be sure to check campus websites.)
UC Berkeley	IGETC is acceptable for all majors in the College of Letters and Science. IGETC is accepted in the College of Natural
	Resources; however, specific lower-division major requirements must still be satisfied. The College of Environmental Design
	accepts IGETC with full certification to fulfill CED's breadth requirements. The Haas School of Business does not accept
	IGETC. IGETC is not appropriate for the colleges of Engineering and Chemistry. Check with the college or click here to see
	ASSIST.org for more information.
UC Davis	All undergraduate colleges accept IGETC. However, Bachelor of Science degrees and high-unit majors often have many
	courses of lower-division preparation. In these cases, IGETC is not recommended, and the UCD GE pattern is the better
	choice.
UC Irvine	All schools accept IGETC. However, selection by the campus is based on demonstrated academic achievement and
	preparation for the intended major. IGETC may not be ideal for students transferring in engineering, mathematics, or
	science majors.
UCLA	The School of Engineering & Applied Science does not accept IGETC. The College of Letters & Science and the School of Arts
	& Architecture strongly encourages California community college students to complete IGETC. IGETC certification is required
	for admission to the Generic/Pre-licensure Nursing program. The School of Theater, Film & Television requires completion
	of either the School's GE requirements or IGETC for admission.
UC Merced	The School of Engineering and the School of Natural Sciences do not recommend IGETC. The School of Social Sciences,
	Humanities, and Arts strongly recommends completion of IGETC to meet general education requirements.
UC Riverside	The College of Engineering accepts IGETC, but additional breadth coursework may be required after enrollment. The College
	of Natural & Agricultural Sciences does not accept IGETC. The College of Humanities, Arts, & Social Sciences accepts IGETC.
	Business Administration majors must complete IGETC (recommended) or the UCR breadth pattern for the College of
	Humanities, Arts, & Social Sciences.
UC San Diego	IGETC is accepted by John Muir, Earl Warren, Sixth and Thurgood Marshall colleges. Although IGETC is accepted at Eleanor
	Roosevelt and Revelle Colleges, some additional coursework may be required after enrollment.
UC Santa Barbara	IGETC is accepted by the College of Letters & Science and the College of Creative Studies. For the College of Engineering,
	IGETC may be used to substitute for most GE requirements, and students may wish to choose IGETC courses that
	concurrently satisfy a "depth requirement" prior to transfer with a year-long sequence in the history of world civilization,
	Western civilization, United States, Western philosophy, or Western art, or with upper division coursework after transfer.
UC Santa Cruz	IGETC is not appropriate preparation for the School of Engineering or any major in the physical and biological sciences.

### ANNUAL NOTIFICATION TO STUDENTS

The Family Educational Rights and Privacy Act (FERPA) afford students certain rights with respect to their education records. These rights are:

- 1. The right to inspect and review the student's education records within 45 days of the day Santa Rosa Junior College (SRJC) receives a request for access. Students should submit to the supervisor (or appropriate official) written requests that identify the records(s) they wish to inspect. SRJC's official will make arrangements for access and notify the student of the time and place where their records may be inspected. If the records are not maintained by the college official to whom the request was submitted, that official shall advise the students of the correct official to whom the request should be addressed.
- 2. The right to request the amendment of the student's education records that the student believes is inaccurate or misleading. Students may ask SRJC to amend a record that they believe is inaccurate or misleading. They should write the SRJC official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If SRJC decides not to amend the record as requested by the student, SRJC will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- 3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by SRJC in an administrative, supervisory, academic, or support staff position (including law enforcement unit and health staff); a person or company with whom SRJC has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, SRJC discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by SRJC to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202-4605

Directory Information may include, but is not limited to: Student's name, email address, and part time/full time status.
